### Sandwich Collection : Grade 5

16 April 2018

We would like to ask each learner to bring an extra sandwich to school on Thursday 19 & 26 April, which goes to underprivileged schools, to children who don't get any lunch.

This is something that EPS has been involved in for many years. However, this year we would really like to encourage our learners to become more involved in this act of compassion. We would like to ask you, as parents, to help teach compassion by allowing your child/children to actively make the sandwich. We understand that there isn't always time for this, but for those of you who can, it would be more beneficial for your child/children to practise compassion in action.
